Leading companies understand the importance of starting here. This stage establishes the foundation on which everything is built. The fundamentals expressed through this process bring light and love to who you are as individuals and to the work you do together.

- CULTURE VISIONING (3 DAY): Defining Culture Code™
- CULTURE A LA CARTE (1 DAY): Uncover Your Essence, Lead On Purpose, Unite and Connect
- CULTURE VIEW: Culture Vibe™ Assessment + Culture Profile™ Insights Report

# CULTURE LEARNING

#WORKIT

As is often the case, it's not only a matter of what we say, but also how we say it. At this stage of the process, we translate what was learned in Culture Design at the individual level, to co-create capacity for integration across the organization.

- LEARNING BOOTCAMPS: Leadership Conversations™, Team Conversations™
- INTEGRAL PROGRAMS: Essence Leadership™, Team Communication™, Flow Management™
- ASSESSMENTS (PROFILE + WORKSHOPS): Emergenetics, StrengthsFinder, EQ-i 2.0
- ADAPTIVE PROGRAMS: Leadership / Team Coaching, Retreats, and Leadership Audit™

# CULTURE INTEGRATION

#LIVEIT

This stage is the delicate process of bringing the culture vision to life in the workplace. It's a recipe for a bigger result, and quite possibly the reason you reached out in the first place. When we talk about creating WOW cultures, it is at this stage where that vision is realized.
