

# LEADERSHIP COACHING PROGRAM

In today's market, the traditional leadership competencies are no longer enough to build high performing and highly engaged teams. Companies are becoming more aware that the 'whole' leader, an individual who is equally balanced and strong in their internal (personal) and external (professional) skills, are a necessity to thrive and lead in fast paced, constantly evolving and rapidly growing technology driven environments.

All our certified executive and leadership coaches can co-create a customized coaching program with you to support your unique needs and at the same time, provide new and fresh ways to grow and develop you to reach your greatest and optimal potential.

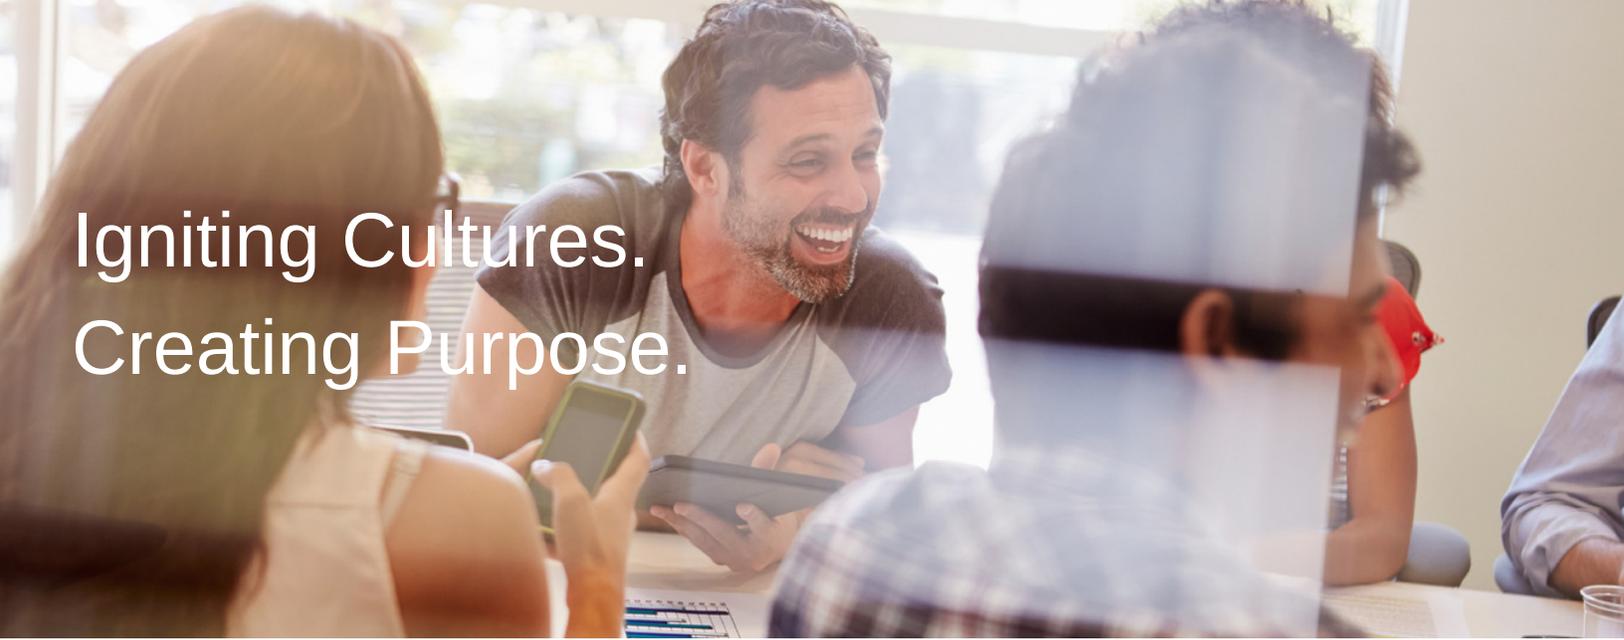

**Duration:** 8 and 12 One Hour Session Packages

**Frequency:** Bi-Weekly, Tri-Weekly or Monthly

**Investment:** 8 One Hour Session Package.....\$2,600 + GST

12 One Hour Session Package.....\$3,600 + GST

**Includes:** Focused, experiential and action-oriented sessions. Session Packages include a Leadership Profile and Success Plan. Leadership Assessments are optional.

Igniting Cultures.  
Creating Purpose.

*Purpose motivates human beings. When an individual's life purpose aligns with the company's purpose, he or she feels inspired, empowered and connected to the heart of the organization. It's that simple.*

SPARK Creations & Company Inc. is a training and development organization that inspires people and companies to create meaningful cultures and workplaces. We use a unique FLOW approach through all of our product offerings to focus on the whole experience using new and fresh perspectives in a collaborative way whilst keeping it simple and clear.

Our team of creative, committed and progressive trainers, facilitators, and certified executive and leadership coaches have 75+ years combined corporate training experience in strategic culture visioning, leadership development, team building and communications, executive and leadership coaching, people and culture program development (human resources), flow (lean and process) management, employer branding and marketing, and project management.
